March 2017

1st and 2nd Grade Family Reading Night & Music Program

March 20th was an exciting and busy night at West Union Elementary. 1st and 2nd grade students began the evening at 6:00 by participating in the family reading night. Students learned about upcoming reading programs, created a puppet theater, made book marks, created a shared story, mimicked illustrations from a story and participated in a word relay. Student art work was also on display for parents and students to view. Following the family reading night and the art display, the 1st and 2nd grade students presented their music program to a packed house.

Ronald McDonald Visits WUE

Ronald McDonald visited Kindergarten, First and Second Grade classes on Thursday, March 2nd. In his hour presentation he discussed the importance of working together, working hard in school, and how to respond if students experience a bully. The students absolutely loved the program. A special thanks to our local McDonalds for their continued support.

2nd Grade Living Wax Museum

History came alive in second grade during their Living Wax Museum Presentation on March 28th. After researching historical figures and writing a short report, the students then presented to their peers by dressing as their historical figure and presenting their reports during lunch.

Safety Drill Held

On Wednesday, March 1st West Union Elementary conducted their third safety drill of the year. Students and staff were required to respond to a mock scenario. All involved responded immediately to the scenario. It is very clear that teachers have emphasized how serious the situation could be and have prepared their students to take appropriate action.

March Reading Competition Held

The month of March has become known for March Madness with the college basketball championship. This month, West Union Elementary had their own version of March madness with a reading competition. The competition had class and grades compete against each other. During those three weeks, students read over 20 million words, took over 8,000 A.R. test and earned over 9,000 points. The following classes won their competition: Kindergarten—Mrs. Young, 1st/2nd Grade—Mrs. Sellars, 3rd and 4th Grade—Mrs. Boling, 5th/6th Grade—Mrs. Dearing.
